The supper tonight by the O.E.S. will be a great one and they say the farce which is to be given later in the lodge room entitled "Female Masonry" is the greatest thing on earth just at this time.

Mrs. E. F. Files has the sympathy of many friends in her affliction just returned from Everett, Mass..where she was called by the illness and death of her mother, Mrs. Grant, whom it will be remembered was here last summer and made friends with all who met her.

Frozen water pipes were in order last week. Among those who suffered from them were Rev. J.W. Hatch, E.P. Mayo, Joe Sawyer, F. B. Purinton, A.C.Ladd and enough others to keep all the plumbers in the village on the jump every minute and then they could not begin to keep up with the orders.

B.F. Rackliff was very pleasantly surprised Saturday evening by a visit from the degree staff of Good Will Rebekah Lodge, No. 50, of this town, Mr. Rackliff being degree master. The evening was very happily passed by all. Before the company left they present Mr. Rackliff with a handsome chain as an appreciation of his services.

Dates to Remember:

Dec. 16. Sale and entertainment at the Eastern Star.

Jan. 6. Rebekah Whist Party.

Regular meeting at E. P. Pratt Relief Corps, Wednesday, Dec. 17.

Last Wednesday morning a short time after the fire was built in Dr. Thomas' cook stove in the Eben Pratt house, the stove exploded wreaking and doing great damage to the kitchen, blowing out the windows, etc. The coffee pot which was on the stove was blown up and imbedded in the ceiling. Fortunately the Dr. and his wife had just left the room. Had they been there they would no doubt have been killed. The stove pipes had hot water connecting with the tank in the bathroom, and it was thought that the water had been drawn off and everything was left in a safe condition as a plumber had been called in to do the work, but the freeze up of last week showed that there was water left in the pipes. It is needless to say a new stove had to be purchased. What may seem a little strange the same kind of explosion took place at the home of Mr. Ray in Brunswick, as we learn from an exchange.
